Dear Lisa Finley,

Congratulations! You have obtained the Grant Professional Certified (GPC) credential and completed the requirements to work as a GPC practitioner.

The Grant Professional Certified (GPC) credential is designed to identify individuals with broad-based knowledge and real-world experience in the field of grantsmanship. The GPC provides widely recognized affirmation of the GPC practitioner as a person of integrity whose broad interest is in building social capital and helping guide less knowledgeable stakeholders to become truly professional and altruistic practitioners.

You will receive an official notification letter with your certificate within the next few weeks. It will also be posted to our website soon after that. Your name will appear as **Lisa Finley, Baton Greer, SC**. If you need to correct the way your name is presented, please email me before the posting date.

I welcome you to the GPC family, and on behalf of the board, send our sincerest congratulations on being a trailblazer within our profession. Your willingness to seek credentialing is a testament to your dedication to our work. We applaud and appreciate you!

Sincerely,

A handwritten signature in blue ink, appearing to read 'LKM', is positioned above the typed name of the sender.
